ExcelVite's Sustainability Commitment

ExcelVite Sdn. Bhd. is committed to providing our customers with the highest quality products while simultaneously working to ensure the products are produced in a sustainable manner. We recognize the importance in maintaining a balance between the economy, social and environmental sustainability.

In order to achieve and be in-line with ExcelVite's Sustainability Commitment, we have established the following practices to ensure that the entire supply chain works together towards achieving sustainability:

1. Set up a Sustainability Committee to oversee and drive ExcelVite's sustainability programs.
2. Establish a **Sustainability Policy**, as attached, to provide general guidance about ExcelVite's mission.
3. Establish a Supplier/Vendor Code of Conduct that outlines the criteria for suppliers/vendors to comply with when doing business with ExcelVite.
4. Work closely with nonprofit organizations in order to have an effective measurement and benchmark in sustainability-related activities.

We hereby declare that ExcelVite is fully committed to the concept of sustainability and shall work towards this direction.
